

TELEPHONE INTERPRETATION INSTRUCTIONS

Translations International successfully combines state-of-the-art computer telephony with high quality, professional linguists to produce a unique service of extraordinary speed and reliability.

Our telephone interpretation solutions enable communication in 150 languages anytime, anywhere.

Our integrated team of language and technology experts has assembled a Language Interpretation Network to meet the on-demand need for immediate and unscheduled access to over-the-telephone interpreters.

Available 24 / 7 / 365

1. Dial **1-866-537-9267**.
2. Tell the operator your customer code **"TI 4488"**.
3. The operator will ask for the **language** needed.
4. For billing purposes, the operator will ask which **program area** or **district office** you are calling from (see the list to the right).
5. You will be placed on hold while we connect you with the interpreter. Once the interpreter is on the line, the operator will drop out of the call leaving the interpreter on the line with you and your caller.
